1. The attached photostated document consists of a series of monthly reports covering the period 1 February to 1 October 1951, giving the movement of finished goods and raw materials through Techsnab Halle, the supply and storage base for the SAG factories in Germany. These reports give the following information: amounts and kinds of raw materials and finished products entering Techsnab Halle each month, amounts leaving Techsnab Halle monthly with designation of recipient and the amounts on hand at Techsnab Halle at the end of each month. These reports are drawn up monthly by Techsnab Halle for submission to the Main Administration for Soviet Property in Germany, Berlin-Weissensee.

2. The photostats are sent to you for retention.
